Neviot has been serving the food industry for over 25 years, specializing in the import and distribution of fine food and beverage from the Mediterranean region and as well as providing a variety of basic food service staples.

At Neviot, we pride ourselves on high-quality hand-selected products, competitive pricing, and exceptional customer service.

Our services range anywhere from drop shipping full containers overseas to supplying local groceries and restaurants using our very own fleet of trucks.

We deliver our customers the advantages of big business operations and logistics while maintaining the individualized personal attention of a small company.

We look forward to serve your business!
